**Half yearly Progress Review and Refreshment Training**  
**19-21<sup>st</sup> March 2017**  
**Sauraha, Chitwan**

Half yearly Progress Review and Refreshment Training were organized in Sauraha, Chitwan in 19 - 21, March 2017. The objective of the workshop was to track physical and financial progress of Environment Friendly Local Governance Program (EFLGP) till the second quarter of FY 2073/74, and provide positive thinking and behavioral change training.

Mr. Rudra Singh Tamang, Joint Secretary MoFALD inaugurated the workshop. In his remarks, he emphasized on the need of harmonization of environment and development activities. He also opined that to make any development project sustainable, environment is integral. He further stated that the role of M&E Officer is very challenging in the changing context of local bodies.

Mr. Guru Prasad Subedi (Program Manager of EFLGP/Under Secretary of MoFALD) chaired the training. Mr. Subedi responded to various queries raised by the participants at the workshop. A total of 64 participants (M&E officers, Engineers and MoFALD/EFLGP PMU staff) attended the program. EFLG - PMU facilitated the program. Similarly, Mr. Ishwori Prasad Dhakal (Account Officer, EFLGP) shared the importance of timely reporting.

M & E Officers of 66 local bodies presented their progress. Mr. Raju Ghale facilitated motivation class on behaviour change.

The workshop was useful in stocktaking the progress status of EFLGP activities in the field, sorting our key issues and challenges for achieving 100% progress by the end of FY 2073/74 and identification of successful initiatives of the EFLGP work at the field level.
